

3rd Annual SILENT AUCTION
DeckExpo 2008 Orlando, Florida
at NADRA Booth #451

During Exhibit Hours on March 5th and March 6th

DONATION FORM

NADRA raised over **\$10,000** in 2006, and over **\$15,000** in 2007 through the generous product/service donations of our members and participation of DeckExpo attendees. These funds help support NADRA's programs throughout the year. **The goal for 2008 is to hit \$25,000!**

Donating Members will be able to **place samples, literature and/or actual items (if feasible) in the NADRA booth**. Be recognized for your generosity on www.nadra.org, in the "News from NADRA" pages of Professional Deck Builder magazine (*Cir. 25,000*), and in NADRA's Newsletter.

The NADRA Booth is traditionally a **gathering place** during exhibit hours, so here is **your opportunity** to make it a great place to also **get exposure for the hottest products of 2008!**

Sincerely,
NADRA Board of Directors
